Please advise the team of any dietary requirements before ordering. Our dishes are prepared in kitchens where nuts and gluten are present as well as other allergens; we cannot guarantee that any food item is completely free from traces of allergens, due to the risk of unexpected cross contamination. We do not include 'may contain' information. Please note that we do not operate a dedicated vegetarian/vegan kitchen area. Our menu descriptors do not include all ingredients. Please be aware that the allergen information for our dishes may change between the date of booking and the date of your visit. We would advise all of our guests to contact a member of the team on the date of their visit to confirm the allergen information of their selected meal.
